FRIENDS OF THE AIKEN COUNTY MUSEUM

*A Museum is a canvas
where history paints itself.*

The Friends of the Aiken County Museum is a
non-profit organization and your donations are
tax deductible as allowed by law.

Who Are The Friends?

The Friends of the Aiken County Museum was established in 1982. The purpose of this all-volunteer organization is the advancement of the study and the appreciation of local Aiken County history through promotion and financial support of the operations and activities of the museum.

Membership dues and the Friends' fundraising efforts ensure the continuation of preservation, documentation, and restoration of historical records and artifacts. They also help to fund exhibit renovations, Recollections (oral history program) as well as ACM free events and receptions for the public.
